

# Echo Power Supply 25W

Low Voltage 24V DC

Project Name: \_\_\_\_\_

Catalog No.: EPS02424PUV4

Date: \_\_\_\_\_

## Features

- UL Listed for U.S. and Canada
- 120V / 240V AC input
- Plug and play power supply
- Lightweight
- Portable
- Short circuit protection
- Long 6' cord
- Over/under voltage protection

## Product Specifications

Input Voltage	120V / 240V AC
Input Frequency	50 - 60 Hz
Output Voltage	24V DC
Output Power	25 Watts
Output Current	1 Amp
Operating Temperature	32° F (-40° C) to 104° F (-70° C)
Limited Warranty	1 Years
Certification	UL Listed (U.S. & Canada)

## Dimensions

Length	3.75 in / 92.25 mm
Width	2 in / 50.8 mm
Height	1.25 in / 31.75 mm
Cord Length	72 in / 1828.8 mm

## Cautions

- For indoor use only
- Risk of electric fire
- Dry location use only

## Installation Diagram
